Docket No. 98N-1265 '99 APR -9
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I appreciate my compounded formula
prescriptions as I am a survivor of uterine cancer
brought on by incorrect dosage of HRT. What
Madison Pharmacy Associates is doing
for me, I do not want them interfered
with! I am happy using the formulas I
have been prescribed through Madison.
